

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

1. Identification of the substance/preparation and of the company/undertaking.

1.1 Product identifier.

Product name: Swimmer Waterline Cleaning Paste
Product code: 20 86 580 002 Swimmer Waterline Cleaning Paste 350g

1.2 Relevant identified uses of the substance or mixture and uses advised against.

Uses: Cleaning waterline marks poolside
Restrictions: At this time we do not yet have information on identified restrictions.

1.3 Details of the supplier of the safety data sheet.

Name of supplier: Golden Coast Ltd
Address of supplier: Fishleigh Road, Roundswell Commercial Park West, Barnstaple, Devon. EX31 3UA
Phone number: 01271 378100
Web : www.goldenc.co
Responsible person: Jamie Adams
Email: swimmer@goldenc.com

1.4 Emergency phone number: 01271 378100 (office hours)

2. Hazard identification.

2.1 Classification of the substance or mixture.

Classification according to Regulation (EC) No 1272/2008.

The product is not classified according to the CLP regulations.

Classification according to EU Directives 67/548/EEC or 1999/45/EC.

Not applicable.

2.2 Label elements.

Labelling according to Regulation (EC) No 1272/2008.

The product does not have to be labelled due to the calculation procedure of the 'General Classification guideline' for:

Human health: See Section 11 for toxicological information.
Physical & chemical hazards: See Section 9 for toxicological information.
Potential environmental effects: See Section 12 for toxicological information.

Hazardous components which must be listed on the label.

None.

2.3 Other hazards.

No other information is available.

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

3. Composition/information on ingredients.

3.1 Substances.

Chemical nature: Paste.

Chemical Name	Identification Numbers		Amount %
	Index-No.	CAS-No.	
mineral filled aqueous soap and detergent blend	011-005-00-2	497-19-8	

4. First aid measures.

4.1 Description of first aid measures.

General advice: Take off all contaminated clothing immediately.

If inhaled: If person experiences nausea, headache or dizziness, stop work immediately and move to fresh air until the symptoms disappear. Seek medical assistance.

In case of skin contact: Wash with plenty of water for a minimum of 15 minutes.

In case of eye contact: Rinse immediately with plenty of water, also under eyelids for at least 15 minutes. Remove contact lenses. Consult a doctor if irritation persists.

If swallowed: Drink plenty of water and rinse mouth out. Do not induce vomiting.

4.2 Most important symptoms and effects, both acute and delayed.

Symptoms: No further information available.

Effects: No further information available.

4.3 Indication of immediate medical attention and special treatment needed.

Treatment: Treat symptomatically.

5. Firefighting measures.

5.1 Extinguishing media.

Suitable extinguishing media: Use extinguishing media suitable for surrounding areas. Not flammable.

Unsuitable extinguishing media: Currently we do not have any information from our supplier about this.

5.2 Special hazards arising from the substance or mixture.

Specific hazards during fire fighting: Currently we do not have any information from our supplier about this.

5.3 Advice for firefighters.

Special protective equipment: Fire fighters should wear full protective clothing and self contained breathing apparatus (SCBA).

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

6. Accidental release measures.

6.1 Personal precautions, protective equipment and emergency procedures.

Personal precautions: For personal protection see Section 8.

6.2 Environmental precautions.

Environmental precautions: Do not flush into surface water or sanitary sewer system.

6.3 Methods and materials for containment and cleaning up.

Scrape up waste. Flush residue with water.

6.4 Reference to other sections.

For personal protection see Section 8.

7. Handling and storage.

7.1 Precautions for safe handling.

Advice on safe handling: Avoid contact with eyes.

Hygiene measures: Keep away from food, drink and animal feeding stuffs. Smoking, eating and drinking should be prohibited in the application area. Wash hands before breaks and at the end of the work day. Take off all contaminated clothing immediately. Provide adequate ventilation. Avoid contact with the skin and eyes.

7.2 Conditions for safe storage, including any incompatibilities.

Requirements for storage areas and containers:

Store in sealed containers in a cool dry area.

Advice on protection against fire: Normal measures for preventive fire protection.

Further information on storage: Currently we do not have any information from our supplier about this.

Advice on common storage: Keep away from food, drink and animal feeding stuffs.

7.3 Specific end uses.

No information is available.

8. Exposure control/personal protection.

8.1 Control parameters.

Regulatory basis: EU. Indicative Exposure and Directives relating to the protection of risks related to work exposure to chemical, physical and biological agents.

No exposure limit established.

8.2 Exposure controls.

Engineering measures: No special measures required.

Personal Protective Equipment:

Respiratory protection: No special measures required.

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

Hand protection:	Advice:	The glove material has to be impermeable to the product. Take note of the information given by the producer concerning permeability, break through time and of special working conditions. Protective gloves should be replaced at first sign of wear.
Eye protection:	Advice:	Wear appropriate safety goggles.
Skin and body protection:	Advice:	Suitable PPE.

Environmental exposure controls.

General advice: Eyewash and emergency shower facilities recommended.

9. Physical and chemical properties.

9.1 Information on basic physical and chemical properties.

Form :	Paste.
Colour:	Blue.
Odour:	Odourless.
Odour threshold:	Currently we do not have any information from our supplier about this.
pH @ 20°C:	12 approx.
Solidification point:	Currently we do not have any information from our supplier about this.
Melting point:	Currently we do not have any information from our supplier about this.
Boiling point/boiling range:	100°C.
Flash point:	N/A.
Evaporation rate:	Currently we do not have any information from our supplier about this.
Flammability (solid, gas):	Currently we do not have any information from our supplier about this.
Upper explosion limit:	Currently we do not have any information from our supplier about this.
Lower explosion limit:	Currently we do not have any information from our supplier about this.
Vapour pressure:	Currently we do not have any information from our supplier about this.
Relevant vapour density:	Currently we do not have any information from our supplier about this.
Density @ 20°C:	1.35
Water solubility:	Miscible.
Partition coefficient:n-octanol/water:	Currently we do not have any information from our supplier about this.
Ignition temperature:	Currently we do not have any information from our supplier about this.
Thermal decomposition:	Currently we do not have any information from our supplier about this.
Viscosity, kinematic:	Currently we do not have any information from our supplier about this.
Explosive properties:	Currently we do not have any information from our supplier about this.
Oxidising properties:	Currently we do not have any information from our supplier about this.

9.2 Other Information.

Specific gravity at 20°C: Currently we do not have any information from our supplier about this.

Legal Disclaimer

10. Stability and reactivity.

10.1 Reactivity.

Advice: Currently we do not have any information from our supplier about this.

10.2 Chemical stability.

Advice: Currently we do not have any information from our supplier about this.

10.3 Possibility of hazardous reactions.

Hazardous reactions: Currently we do not have any information from our supplier about this.

10.4 Conditions to avoid.

Conditions to avoid: None known.

10.5 Incompatible materials.

Materials to avoid: None known.

10.6 Hazardous decomposition products.

Hazardous decomposition products: None known.

11. Toxicological information.

11.1 Information on toxicological effects.

Primary irritant effect.

On the skin: Very mild irritation may ensue if product is in contact with sensitive skin.

On the eye: Very mild irritation may ensue if product is in contact with eyes.

Carcinogenic: There is no evidence that this substance has any carcinogenic properties.

Mutagenic: There is no evidence that this substance is mutagenic.

Sensitisation: No sensitising effects known.

Additional toxicological information: No further information available.

12. Ecological information.

12.1 Toxicity.

Remarks: Currently we do not have any information from our supplier about this.

12.2 Persistence and degradability.

Remarks: Currently we do not have any information from our supplier about this.

12.3 Bioaccumulative potential.

Remarks: Product is not expected to bioaccumulate.

12.4 Mobility in soil.

Remarks: Soluble in water, predicted to have a high mobility in soil.

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

12.5 Results of PBT and vPvB assessment.

Remarks: No data available.

12.6 Other adverse effects.

Remarks: Currently we do not have any information from our supplier about this.

13. Disposal considerations.

13.1 Waste treatment methods.

Product: Disposal together with normal waste is not allowed. Special disposal is required according to local regulations. Do not let product enter drains. Contact waste disposal services.

Contaminated packaging: Empty contaminated packaging thoroughly. They can be re-cycled after thorough and proper cleaning. Packaging that cannot be cleaned is to be disposed of in the same manner as the product.

European Waste Catalogue No : No waste code according to the European Waste Catalogue can be assigned for this product, as the intended use dictates the assignment. The waste code is established in consultation with the regional waste disposer.

14. Transport information.

14.1 UN number.

Not applicable.

14.2 UN proper shipping name.

AQUEOUS SOAP & DETERGENT BLEND.

14.3 Transport hazard class(es).

Not applicable.

14.4 Packaging group.

Not applicable.

14.5 Environmental hazards.

Not applicable.

14.6 Special precautions for user.

Not applicable.

15. Regulatory information.

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture.

Currently we do not have any information from our supplier about this.

15.2 Chemical safety assessment.

Currently we do not have any information from our supplier about this.

16. Other information.

Full text R-phrases referred to under Section 2 and 3.

Full text of H-Statements referred to under Section 2 and 3.

Further information.

Restricted to professional users. Attention – avoid exposure – obtain special instructions before use.

Abbreviations and acronyms.

ADR:	Accord europeen sur le transport des marchandises dangereuse par Route (European Agreement concerning the International Carriage of Dangerous Goods by Road)
