

Safety Data Sheet

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

1. Section 1: Identification of the substance/mixture and the company/undertaking.**1.1 Product identifier.**

Product name: Essentials Spa Foam Remover 1L
Product code: 20 86 588 010

1.2 Relevant identified uses of the substance or mixture and uses advised against.

To reduce the build up of foam in spas

1.3 Details of the supplier of the safety data sheet.

Name of supplier: Golden Coast Ltd
Address of supplier: Fishleigh Road, Roundswell Commercial Park West, Barnstaple,
Devon. EX31 3UA
Phone number: 01271 378 100
Web address: www.goldenc.com
Responsible person: Jamie Adams
Email: swimmer@goldenc.com

1.4 Emergency phone number: 01271 378 100 (office hours)

2. Section 2: Hazard identification.**2.1 Classification of the substance or mixture.**

Classification according to Regulation (EC) No 1272/2008

Not classified as hazardous for supply

2.2 Label elements.

Labelling according to Regulation (EC) No 1272/2008

This product does not need to be labelled in accordance with EC Regulations and Directives

2.3 Other hazards.

No information available

3. Section 3: Composition/information on ingredients.**3.1 Mixture**

Chemical Name
Silicone antifoam Emulsion

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

4. Section 4: First aid measures.**4.1 Description of first aid measures.**

General Advice:

Immediately remove contaminated clothing

If inhaled:

Move to fresh air. Rinse nose and mouth with water. Consult doctor in case of complaints.

In case of skin contact:

Wash off immediately with soap and plenty of water.

In case of eye contact:

Rinse immediately with plenty of water, also under the eyelids for at least 15 minutes. Remove contact lenses. Then consult a doctor.

If swallowed:

Rinse mouth with water and then drink plenty of water. If symptoms persist call a doctor

4.2 Most important symptoms and effects, both acute and delayed.

No information available

4.3 Indication of any immediate medical attention and special treatment needed.

Treat symptomatically

5. Section 5: Firefighting measures.**5.1 Extinguishing media.**

Extinguishing media:

Use fire extinguishing methods suitable to surrounding conditions.

5.2 Special hazards arising from the substance or mixture.

Special hazards:

Decomposition products may include carbon oxides

5.3 Advice for firefighters.

Advice for firefighters:

Wear self-contained breathing apparatus (SCBA) and full turn out gear.

6. Section 6: Accidental release measures.**6.1 Personal precautions, protective equipment and emergency procedures.**

Personal Precautions:

Wear appropriate clothing.

6.2 Environmental precautions.

Environmental precautions:

Do not allow to enter public sewers and watercourses. Advise authorities if spillage has entered water course or sewer or has contaminated soil or vegetation.

6.3 Methods and material for containment and cleaning up.

Cleaning up:

Stop leak if possible without risk. Absorb vermiculite, dry sand or earth and place into containers. Flush with plenty of water to clean spillage area. Do not contaminate water sources.

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

6.4 Reference to other sections.

See Section 1 for emergency contact information

See Section 8 for information on Personal protective equipment

See Section 13 for waste treatment information.

7. Section 7: Handling and storage.**7.1 Precautions for safe handling.**

Advice on safe handling:

Use in a well ventilated area. Prevent formation of aerosols

Hygiene measures:

Wash hands before breaks and immediately after handling the Product. Keep away from food, drink and animal feed stuffs. When using do not eat or drink.

7.2 Conditions for safe storage, including any incompatibilities.

Storage:

Keep in a cool, dry, well ventilated place. Keep only in original container. Protect from frost.

7.3 Specific end use(s).

No information available.

8. Section 8: Exposure controls/personal protection.**8.1 Control parameters.**

Contains no substances with occupational exposure limit values

8.2 Exposure controls.

General information:

Do not subject to unnecessarily high temperatures.

Respiratory protection:

Not required

Hand protection:

Wear protective gloves. The selected protective gloves have to satisfy the specifications of EU Directive 89/686/EEC and standard EN 374

Eye protection:

Wear safety glasses approved to standard EN 166. Provide eye station

Skin and body protection:

Wear apron or other light protective clothing

Environmental controls

Dispose of in accordance with all applicable local and national regulations.

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

9. Section 9: Physical and chemical properties.**9.1 Information on basic physical and chemical properties.**

Form:	Viscous Emulsion
Colour:	Whitish
Odour:	Mild
pH @ 20°C	4.5
Boiling point:	100°C
Melting point:	Not applicable
Flash point:	Not known
Density @ 20°C	1000 kg/m ³
Water solubility:	Emulsifiable
Vapour pressure:	Not known
Vapour density:	Not known
Specific gravity:	Not known

9.2 Other Information

No further information available

10. Section 10: Stability and reactivity.**10.1 Reactivity.**

No information available

10.2 Chemical stability.

No decomposition if stored and applied as directed

10.3 Possibility of hazardous reactions.

No information available

10.4 Conditions to avoid.

No information available

10.5 Incompatible materials.

No information available

10.6 Hazardous decomposition products.

Carbon monoxide and carbon dioxide

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

11. Section 11: Toxicological information.

11.1 Information on toxicological effects.

Primary irritant effect

If inhaled:

Not applicable in supplied form

On the skin:

In cases of severe exposure, irritation may develop

On the eye:

May cause irritation

If ingested:

The ingestion of significant quantities may cause nausea/vomiting

Carcinogenic:

There is no evidence that this substance has any carcinogenic properties.

Mutagenic:

There is no evidence that this substance is mutagenic

Sensitization:

No sensitizing effects known

Other relevant toxicity:

Not subject to classification according to the calculation method of of the General EU Guidelines for preparations as issued in the latest version.

When used and handled according to specifications, the product does not have harmful effects to our experience and the information provided to us.

12. Section 12: Ecological information.

12.1 Toxicity.

No information available

12.2 Persistence and degradability.

No information available

12.3 Bioaccumulation potential.

No information available

12.4 Mobility in soil.

Readily absorbed in soil

12.5 Results of PBT and PvB assessment.

This substance is not identified as a PBT substance

12.6 Other adverse effects.

No information available

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

13. Section 13: Disposal considerations.**13.1 Waste treatment methods.**

- Disposal should be in accordance with local, state or national legislation
- Do not reuse empty containers without commercial cleaning or reconditioning
- Do not discharge into drains or the environment, dispose to an authorized waste collection point

Classification

Waste Codes in accordance with the European Waste catalogue (EWC) are origin-defined. Since this product is used in several industries, no Waste Code can be provided by the supplier. The Waste Code should be determined in arrangement with your waste disposal partner or the responsible authority.

14. Section 14: Transport information.**14.1 UN number.**

Not applicable

14.2 UN proper shipping name.

Not applicable

14.3 Transport hazard class(es).

Not applicable

14.4 Packaging group.

Not applicable

14.5 Environmental hazards.

Clean up even minor leaks or spills if possible without unnecessary risk

14.6 Special precautions for user.

See section 7

14.7 Transport in bulk according to annex II of MARPOL 73/78 and the IBC code.

Not applicable

15. Section 15: Regulatory information.**15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture.**

This Safety Data Sheet is provided in compliance with REACH Regulation (EC) No 1907/2006

15.2 Chemical safety assessment.

No information available

Legal Disclaimer

The information and recommendations in this publication are, to the best of our knowledge, information and belief, accurate at the date of publication. Nothing herein is to be construed as a warranty, express or implied. In all cases it is the responsibility of the users to determine the applicability of such information or the suitability of any products for their own particular purpose.

16. Section 16: Other information.

Full text of H-Statements referred to under section 2 and 3.

This information is believed to be accurate and represents the best information currently available to us. However, we make no warranty or merchantability, or fitness for any particular use, or any other warranty, express or implied, with respect to this information, and we assume no liability resulting from use of this information. Users should make their own investigations to determine the suitability of the information for their particular needs and uses.

- **Abbreviations and acronyms:**

GHS: Globally Harmonized System of Classification and Labeling of Chemicals

EINECS: European Inventory of Existing Commercial Chemical Substances

CAS: Chemicals Abstracts Service (division of the American Chemical Society)

LC50: Lethal concentration, 50 percent

LD50: Lethal dose, 50 percent

Note:

This data sheet does not constitute a user's assessment of workplace risk as required by HSW act, COSHH, management of health and safety at work regulations, or other health and safety legislation.

Further information relating to the pictograms, phrases, statements or acronyms contained within this Safety Data Sheet is available for download. Please refer to www.goldenc.com/resources/data-sheets
